

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Everett Casey v Auto-Owners Ins Co**  
Docket No. **259593**  
L.C. No. **2002-045189-CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal and the motion to appear *pro hac vice* are DISMISSED for lack of jurisdiction because the November 16, 2004 order was not a final order at the time that the claim was filed. If an appellant files a motion for a new trial, reconsideration, rehearing, or similar postjudgment relief within 21 days of the entry of a final order, the finality of the order is suspended to give the circuit court the jurisdiction to decide the motion. See MCR 7.208(A). The appellant may then file a claim of appeal within 21 days of the entry of the order denying the motion in question. See MCR 7.204(A)(1)(b).
